- Packages marked with asterisk (*) are valid for one year, from 29 April 2009 to 31 March 2010.
- All other packages are valid for one year, from 1 April 2009 to 31 March 2010.
- Appointment booking must be done through ParkwayHealth Patient Assistance Centre (PPAC), and procedure must be done within the validity period.
- The package prices quoted are in Singapore Dollars and exclude Government Goods & Services Tax (GST).
- Eligibility for using the package can be established only after doctors at ParkwayHealth have examined the patient.
- The package price is applicable based on a routine case without complications (that is, for non-complicated cases only).
- The package prices quoted include hospitalisation (4-bedded), facility and doctors' fees (unless otherwise stated).
- The package prices are only applicable to Gleneagles Hospital and Mount Elizabeth Hospital, and for patients referred by ParkwayHealth Patient Assistance Centre (PPAC).
- The package prices quoted are subject to change without prior notice.

About ParkwayHealth

As one of Asia's leading private healthcare providers, ParkwayHealth is dedicated to improving the lives of people through service excellence. With an extensive network of hospitals and integrated healthcare facilities, and over 40 years of experience in hospital development, it has an outstanding reputation for ensuring top clinical outcomes, comprehensive care and service excellence.

In Singapore, ParkwayHealth operates three renowned hospitals - East Shore Hospital, Gleneagles Hospital and Mount Elizabeth Hospital - and several medical centres where specialist care can be effectively administered in one place.

With over 3,400 beds, and the combined expertise of more than 1,300 accredited medical professionals covering over 40 different specialties, ParkwayHealth provides a wide spectrum of medical services, from screening and diagnosis, treatment and care, and surgery to rehabilitation. The hospitals are supported by an extensive network of primary care clinics, a full range of diagnostic and laboratory services and a state-of-the-art facility that provides surgical supplies sterilisation service.

ParkwayHealth also operates more than 43 ParkwayHealth Patient Assistance Centres (PPAC) worldwide, bringing quality and integrated healthcare to patients in Singapore and overseas. These centres are established throughout the world including in Bangladesh, Brunei, Cambodia, Canada, China, India, Indonesia, Malaysia, Myanmar, Pakistan, Philippines, Russia, Saudi Arabia, Sri Lanka, United Arab Emirates, United States and Vietnam.
